

# An idea whose time has come...

It took nearly 250 years, but the wait is finally over. Now, bifocal wearers are free to choose Varilux Liberty™ Airwear® Transitions® V Lenses — the only progressive lens specifically designed for bifocal wearers. Combining advanced photochromic technology and polycarbonate performance with Instant Reading Power™, giving wearers the freedom to finally leave old Ben's bifocals behind.

## NEARLY 250 YEARS IN THE MAKING...
