

## SAY GOODBYE TO DRY!

Today's environments can create tired, dry eyes. With ACUVUE® OASYS™ IN, Dry is OUT. Whether you're inside or outside, challenging environments can make your eyes feel tired and dry. Even long hours in front of a computer can leave your eyes craving moisture. Find relief with ACUVUE® OASYS™ with HYDRACLEAR™ PLUS\*\*\* Brand Contact Lenses. It will almost feel like you're wearing no lens at all.

- Feels almost like you're wearing no lens at all
- Helps soothe the discomfort from eyes feeling tired and dry
- Reduces the need for rewetting drops
- Contains HYDRACLEAR™ PLUS — the next generation of proprietary technology that creates a more wettable, ultra smooth contact lens
- Visibility tint – so your lenses are easy to see and handle
- Highest UVA and UVB Blocking – to help protect against harmful UV rays, blocking 96% of UV-A rays and 99% of UV-B rays
- Inside -Out Mark – so you'll insert your lenses correctly every time

**WITH HYDRACLEAR™, YOU CAN BE COMFORTABLE WITH CONTACTS.**

ACUVUE® ADVANCE™ BRAND CONTACT LENSES WITH HYDRACLEAR™ ALLOW YOU TO ENJOY EXCEPTIONAL END-OF-DAY COMFORT.
