Introducing the new AQUIFY Multi-Purpose Solution

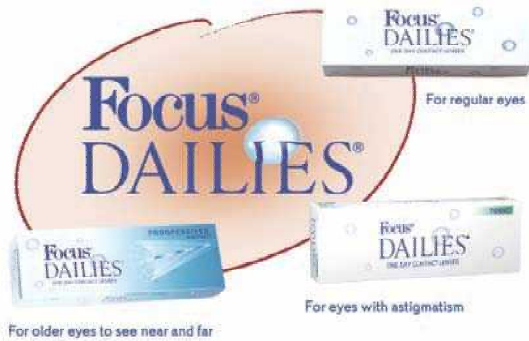

The first MPS that cleans, moisturizes, and disinfects lenses in just 5 minutes. It can be used in two different ways – either with a quick ten-second rub and a five-minute soak or a four-hour soak and no rub. It is specially formulated for silicone hydrogel lenses including the O2optix. HydroLock formulation locks in moisture to deliver `round the clock comfort.

CLEAR CARE

Clinically proven #1 in comfort, preferred by 8 out of 10 patients. One bottle, no rub solution and ideal for patients that are sensitive to added chemicals and preservatives found in other solutions.

DAILIES FAMILY

Dailies Family Benefits are: comfort, health, convenience & visual acuity. Comfort because of the thin edge design and DAILIES are fresh everyday with no effect from solutions. Health because the fresh lens everyday ensures no build-up and the non-ionic surface helps reduce protein deposits. Convenience because of the wearing flexibility and freedom from lens care solutions. Visual acuity due to the fresh lens providing crisp, clear vision everyday.

NEW Dailies Toric Technology to provide better vision for low astigmatic patients currently wearing spherical lenses

NEW Dailies Progressive

- First daily disposable lens for presbyopia
- Combines the advantages of DAILIES lenses and Progressives design
- Great for full time or part time wear
